

International travel and Traffic Light system

- England introduced a “Traffic Light” system for international arrivals : **Green**, **Amber**, **Red**.
- The rules depend on where you have been in the 10 days before you arrive.
- Click [here](#) to see which list your country is on. The lists are updated every 3 weeks.
- Only British and Irish residents/citizens are permitted to arrive from a **Red** list country.

Action Country	Passenger Locator Form	Pre-departure test	Must follow the rules (even if vaccinated)	Hotel Quarantine	Self-Isolation	Test to Release	PCR Test 1	Further PCR testing
Red	✓	✓	✓	✓ 10 days	N/A	✗	On or before day 2 after arriving in the UK	Day 8
Amber	✓	✓	✓	✗	No self-isolation if fully vaccinated; 10 days if not fully vaccinated*	On day 5 if not fully vaccinated	On or before day 2 after arriving in the UK	Day 8 if not fully vaccinated
Green	✓	✓	✓	✗	✗	N/A	On or before day 2 after arriving in the UK	✗

*Fully vaccinated means that you have had your final dose of an approved vaccine at least 14 days before arriving in England.
