

International travel and Traffic Light system

- International travel to England is allowed from 17 May 2021.
- England introduced a “Traffic Light” system for international arrivals : **Green**, **Amber**, **Red**.
- The rules depend on where you have been in the 10 days before you arrive.
- Click on [here](#) to see which list your country is on. The lists is updated every 3 weeks.
- Only British and Irish residents/citizens are permitted to arrive from a **Red** list country.
